Board Member Expectations

Our goal is to always make this year better than last year. To do that, we need committed, enthusiastic board members to dedicate their time and energy to making this a great year. Here are ten expectations and guidelines to help us attain our goals.

Board members are expected to:

1. **Attend all board meetings punctually** and be prepared to contribute ideas.

2. **Represent our board** (power in numbers!) by attending and acting professionally at all club events.

3. **Be excited and enthusiastic about alumni events.**

4. **Share your opinion and respect the opinions of others.**

5. **Be friends with all board members!** (In the event there is any conflict among board members, please resolve those conflicts promptly and professionally.)

6. **Be great communicators!** With our busy schedules, we do most of our planning via email. Please respond to all emails directed towards you or the group within 48 hours (or sooner, if possible).

7. **Be a team player.** It takes a whole team to succeed. Delegate and contribute so we can get all of our fantastic board members involved in making great events.

8. **Follow through with projects.** If conflicts arise, please let your team members know ASAP so we can rearrange responsibilities to allow our events to run smoothly.

9. **Have pride in your position and in the board!** We’ve committed to the group and to the alumni community we serve—let’s always do our best.

10. **BE POSITIVE!** Can’t say it enough: LOVE the board! LOVE the work you do!
